BOLTA LIQUID SERVERS

Lighten and brighten your liquid service...

...from white tablecloth to institutional service, there's a Bolta server for every need.

A #580 BOLTA-FLAIR PITCHER 2¼ QT.

This completely new contemporary design with ice retaining spout is compact and convenient. • Can remain on table • Molded for durability and lightweight • Fits most water service stations • Low center of gravity provides stability and prevents tipping • Only 6½" tall, occupies minimum of space • Safe for use in commercial dishwashers • In seven (7) contemporary colors as shown on chart.

B #8070 TEMPO DISPOSABLE CARAFE

#8070 Body and cap #8072 Base and handle
An all-new disposable, liquid dispensing system. Ideal for hospitals and nursing homes. Insulated body and cap molded of expanded styrene. Patented one piece design for base and handle. May be used for single patient care only, or the base and handle may be used for single patient care with body and top disposable. • Insulated • Sanitary • Space-saving • Lightweight • Economical • Area for patient identification • In pleasant, two-tone blue and white.

C #2270 STONEWARE PITCHER — 2½ QT.

A new and beautiful, molded and antiqued pitcher worthy of the finest white tablecloth service. Scroll-work adorns body and handle. Height 8½" • For both hot and cold liquids • Non-drip, ice retaining spout • Dishwasher safe • Impact and stain resistant • Won't crack, chip or peel. In Antique Brown, Antique Red and Antique Green.

D #2202 TEMPO PITCHER — 2½ QT.

Handsome contemporary lines and colors have made this pitcher a favorite • Molded for durability and lightweight • For both hot and cold liquids • Ice retaining spout • Dishwasher safe • Available in seven (7) contemporary colors as shown on chart.

E #2001 CARAFE AND CUP — 1 QT.

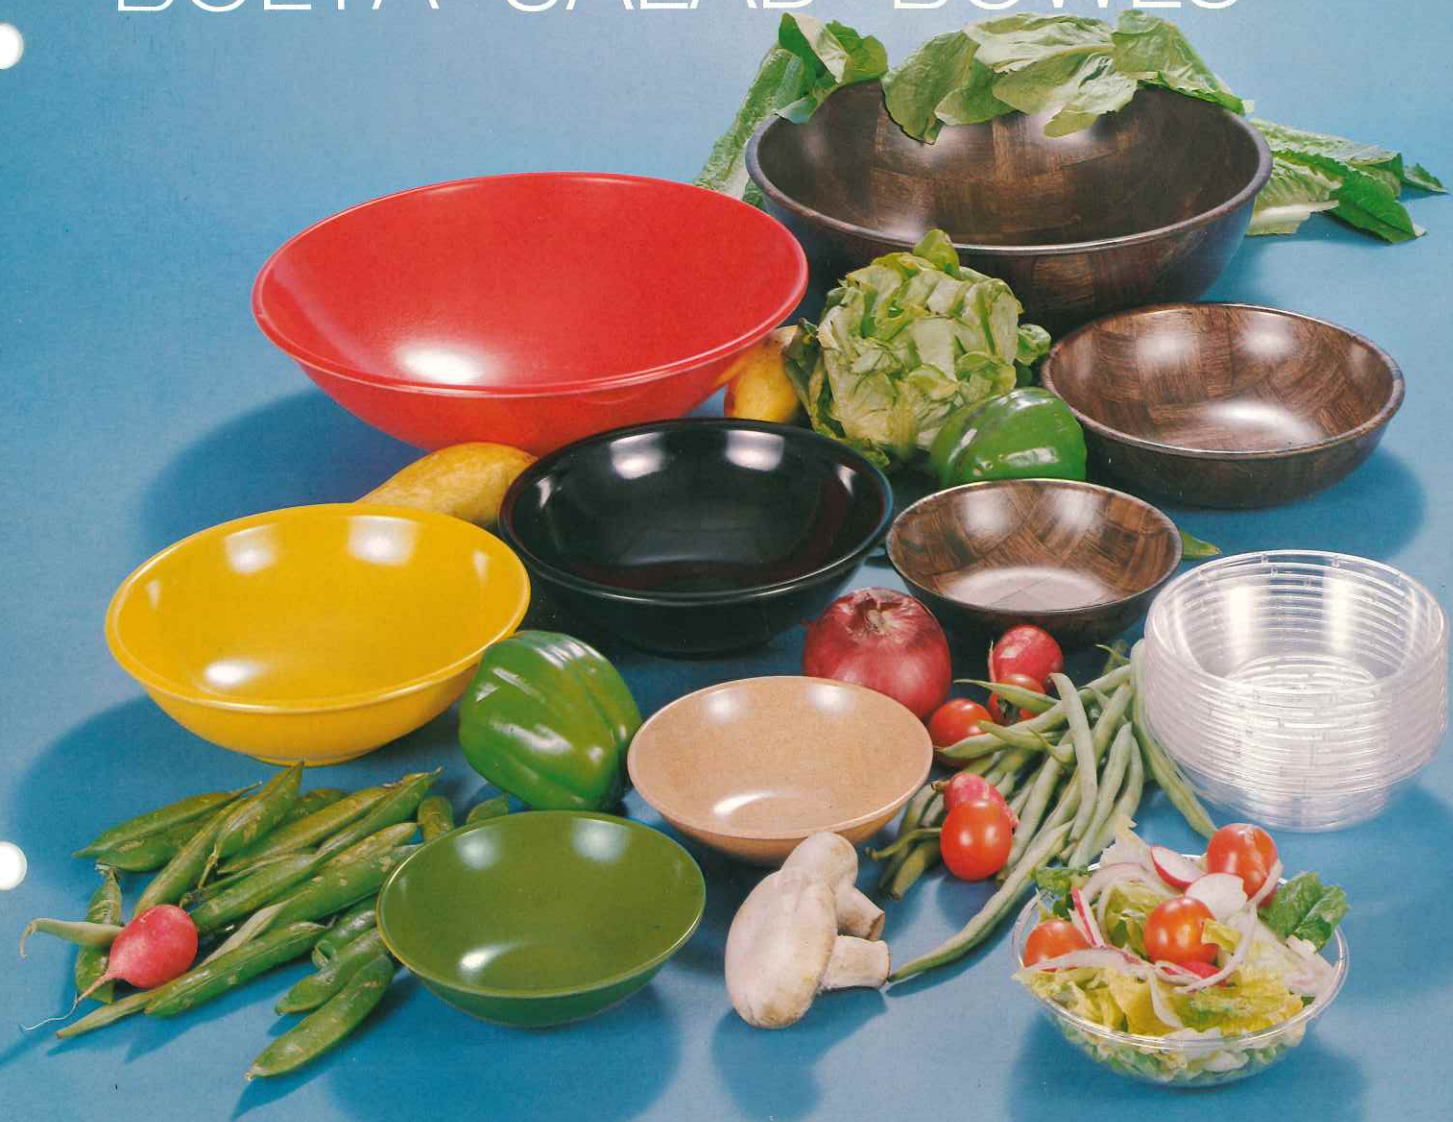

Ideal for hospital and nursing home use. Cup serves also as stopper. Keeps liquids cool and germ-free. • Lightweight • Durable. Available in Persimmon, Avocado and White.

BOLTA-KRYSTAL

The New Generation
Acrylic
Glassware

From juice to iced tea or sherbet . . . from cocktails to parfait or pilsner, there's a Bolta-Krystal tumbler or stemware item to do the job beautifully, graciously and without breakage, for years and years of use.

Bolta-Krystal is revolutionary not only because of its virtually indestructible acrylic construction that solves your glass breakage problem, but also because of its exquisite cut-glass appearance . . . its heavy, multi-faceted design that even feels like glass. And it's available in four colors. Four tumbler sizes. Nine stemware selections. 46 items in all!

- Heavyweight construction
- Not a lightweight disposable
- Designed for years and years of trouble-free service
- Dishwasher safe
- Stain, chip and crack resistant
- Ideal for restaurants, schools, colleges, hospitals, poolside, bars, clubs, etc.

Colors: Clear, ruby, smoke and amber.

Dishracks: All Bolta-Krystal items fit Bolta Dishracks as well as other standard dishracks.

As beautiful as sparkling cut-glass. Even feels like glass...
but it's virtually breakage-free!

Chilled service at its very best! Ideal for shrimp, seafoods, fruitcups, sherbets, ice cream, melon, etc. Select the combination of component parts that fits your chilled service best. Transparent molded construction provides elegance with outstanding durability and easy upkeep. Additional or replacement parts may be ordered separately. Individual parts interchange and fit most standard brand supreme components.

#2814 Condiment Server

High style, versatile design for all food operations. Molded brown base and handle with chrome finish cylinder post. Features four removable, molded white cups. Each cup holds 14 oz. Rugged and dishwasher safe. Ideal for: • Salad dressings • Relishes and appetizers • Hors d'oeuvres • Sauces • Preserves and syrups.

#1230 Soup Bowl

This deep, sculptured bowl is ideal for soups, chowders, cereal and desserts. 13 oz. capacity. 5 3/4" diameter by 2" high. Designed also for use with #314 and #113 Compartment Trays. Dishwasher safe. Color-coordinated with Bolta Flair Trays, Pitchers, Thermal Servers and Thermal Dishes. In Persimmon, Tan, Avocado and Gold.

p. 7

WINE SERVICE

Wine and dine your guests . . . first class! Select from three handsome wine coolers. Molded to withstand extreme temperature. They're crack, chip, mar and stain resistant. Not effected by alcohol. Stay rich looking for years of service. Attractive chrome folding stand fits all models and adds that extra touch of elegance. Each cooler measures 8" in top diameter and 10" high.

A #300 DELUXE CHAMPAGNE BUCKET

Features elegant side handle rings and special metal trim riveted on a heavyweight cooler for long years of first class service. In mahogany or jet black.

B #2501 WINE COOLER ECONOMY MODEL

A handsome, lightweight molded cooler with bail handle. Rugged and inexpensive. In mahogany.

C #250 WINE COOLER MEDIUM PRICE MODEL

A real heavyweight that's extra durable. With bail handle. In mahogany.

D #340 COOLER STAND

In chrome finished steel. Stands firmly when in use. Folds compactly for easy storage. Fits all three Bolta coolers. 28" high (32" high with cooler).

FLUTED TUMBLERS

Versatile and economical, these molded tumblers provide extra long service life. In crystal-clear fluted plastic. Lightweight and smooth. Non-toxic. Heat resistant and dishwasher safe. In crystal and ruby (4 oz. and 18 oz. in crystal only).

- #1020 4 oz. Juice
- #1024 5 oz. Juice
- #1029 8 oz. Milk
- #1023 9½ oz. Water
- #1025 12 oz. Iced Tea
- #1030 18 oz. Milk Shake

CHILD'S BOOSTER SEAT #1250

Gives kiddos a real boost at the table! Adds height to all restaurant chairs. Colorful, contour-designed seats keep the little ones comfortable and safe, too. Molded in one piece. Contoured and textured skid-resistant surface prevents youngster from slipping off. Lightweight and noiseless. Stain resistant and washable. Four non-skid rubber feet anchor seat securely. Won't mar furniture. 11¼" x 12½" x 6⅞" high. Colors: Blue, Tan, Red and Avocado.

Seats stack and nest for space-saving storage.
